Act justly, love tenderly, walk humbly with your God

27th March 2024

Dear Parents and Carers

Re: KS4 – 5 Transition Programme Part 1 - Year 11 Sixth Form Transition Day Friday 19th April 2024

On Friday 19th April, Year 11 students will have a Sixth Form Transition Day. This is an opportunity for students to experience what it feels like to be a St. Anne's Sixth Form Student for the day, and to learn more about the subjects they want to study in Sixth Form.

The timetable for the day is set out below:

Event	Time	Location
Arrival	From 08.00 – 08.40	Hall (breakfast service available from 08.00 – 08.45)
Registration	09.00 – 09.10	Hall
Sixth Form Gathering	09.10 – 09.25	Hall
Taster 1	09.30 – 10.10	
Break	10.10 – 10.40	Hall (break service available)
Taster 2	10.40 – 11.20	
Taster 3	11.20 – 12.00	
Lunch	12.00 – 12.50	Hall (lunch service available)
Taster 4	12.50 – 13.30	
Taster 5	13.30 – 14.10	Hall
Dismissal	14.10	

Students are **not** required to wear school uniform for the Taster Day, instead they will follow the Sixth Form uniform code for the day which is as follows:

Safe – e.g. no flip flops / sliders or high heels (not suitable for walking around the building)

Inoffensive - no rude / offensive slogans / images

Practical - suitable wear for the weather conditions and for the activities you will be taking part in

Presentable i.e. neat and tidy e.g. no ripped jeans.

All students **must wear their lanyards** visibly (around the neck).

The catering arrangements for the day will be the same as usual for before school, break and lunch.

Students will need to bring writing equipment, planner. If any other equipment is required for the day, students will be informed via Teams.

The timetable for the day will be on Arbor. Students will therefore need to access Arbor using the web browser on their phones to access their timetable. Students should use this link to access the web browser: <https://st-annes-catholic-high-school-for-girls.uk.arbor.sc/>

During the taster sessions students should ensure that mobile phones are switched onto silent and put away unless the teacher instructs them to use them. The same applies to ear pods and headphones.

We hope that students will find this experience invaluable in helping to determine if they have made the right choices of subject to study after their GCSEs.

Yours faithfully,

Mrs K Hyland
Assistant Head Teacher
