

ST. ANNE'S CATHOLIC HIGH SCHOOL FOR GIRLS

Act justly, love tenderly, walk humbly with your God

16 January 2023

Dear Parent and Carers,

Re: Ofsted Inspection 22nd and 23rd November 2022

I am delighted to be able to finally share with you our Ofsted Report following the recent inspection that took place.

It is with tremendous pride that I can inform you of the outcome:

“St. Anne’s Catholic High School for Girls continues to be an outstanding school”

The Report is available on the school website www.st-annes.enfield.sch.uk/ofsted and will be published on the Ofsted website no later than the week commencing 23rd January 2023.

The takeaway for me is how the Inspectors saw “positive and supportive working relationships ...in abundance”. I believe this provides the foundation for our Learning Family to being able to create an environment where, “pupils display exemplary attitudes towards their learning”, and “enables all pupils..... to thrive”. (Ofsted Report 2022)

The Report is testament to the commitment, hard work and sheer determination of staff, governors and you, parents and carers. Working in partnership with you is like the icing on the cake (and I love icing!), you enable us to complete our role and make it that bit more sweet.

I am incredibly proud to be a part of St. Anne’s, it is such a unique and special place to work and learn and it is wonderful that the Inspection Team felt the same.

Creating and maintaining a school where, “safeguarding is effective”, where “pupils rise to the high expectations” we have of them, where students “enthusiastically offer their answers and opinions”, where “pupils achieve very highly”, is only possible when all stakeholders are working together. Like any game – tennis, football, rugby, it needs all its players.

Thank you for all you have done and will continue to do to ensure St. Anne’s remains a setting where students gain increasing mastery in their subjects and develop into the best version of themselves.

Best wishes
