

Curriculum Map - 2025-2026

Online Safety (OS)

Year Group: KS3/KS4/KS5

The breadth of issues classified within online safety is considerable and ever evolving, but can be categorised into **four areas of risk**:

1. **content**: being exposed to illegal, inappropriate, or harmful content, for example: pornography, fake news, racism, misogyny, self-harm, suicide, anti-Semitism, radicalisation, and extremism.
2. **contact**: being subjected to harmful online interaction with other users; for example: peer to peer pressure, commercial advertising and adults posing as children or young adults with the intention to groom or exploit them for sexual, criminal, financial or other purposes.
3. **conduct**: online behaviour that increases the likelihood of, or causes, harm; for example, making, sending and receiving explicit images (e.g. consensual and non-consensual sharing of nudes and semi-nudes and/or pornography, sharing other explicit images and online bullying, and
4. **commerce**: risks such as online gambling, inappropriate advertising, phishing and or financial scams.

National Curriculum (NC) KS3

1. understand a range of ways to use technology safely, respectfully, responsibly and securely
2. including protecting their online identity and privacy
3. recognise inappropriate content, contact and conduct and know how to report concerns
