### **Reminder: St Anne's Mobile Phone Free Environment**

As part of this wider work, we would also like to remind families that St Anne's is a mobile phone free school during the school day.

Mobile phones must be switched off and out of sight at all times. They must not be used in lessons, corridors, toilets or social spaces. Phones will not be used for revision purposes during the school day, including accessing notes, online quizzes, revision apps or research.

Any phone seen or used will be confiscated in line with our Positive Behaviour for Learning policy. Repeated breaches may result in further consequences, including suspension.

Strong partnership between home and school is central to keeping our students safe, confident and responsible online. I hope to see many of you tomorrow evening.

Kind regards,

Mr Delaney  
Assistant Headteacher

Headteacher: Mrs E. Loveland BA (Hons); NPQH
