

St. Anne's Catholic High School for Girls

Careers Programme - Student Feedback 2023

As a student of St. Anne's, we value your suggestions on what opportunities and activities you would find a valuable addition to our careers programme.

You can find the current careers provision for your year group under the 'Our Careers Programme' tab.

You can use this link to make your suggestions for your year group:

<input type="radio"/> STEM Activities	18
<input type="radio"/> Work Experience	88
<input type="radio"/> Workshop	27
<input type="radio"/> University Summer School op...	33
<input type="radio"/> Live Talks	23
<input type="radio"/> Webinars	8
<input type="radio"/> Careers Talks	38
<input type="radio"/> Apprenticeship Events	46
<input type="radio"/> University Events	42

In response to this questionnaire, more careers related opportunities were posted on teams, enabling students to apply for opportunities that they were interested in. This was followed up with the questionnaire below to KS4 to give us an overview of how effective this provision was.

Work Experience was the most requested activity and we have now put in place a work shadowing day for Year 10 starting in the Summer term 2022. This will be run annually during the Summer term. This will then follow with work shadowing day for year 12 this year (2023).

We will carry out student questionnaires twice a year to gain feedback on our careers provision. This will be used to plan our careers programme for the following year.

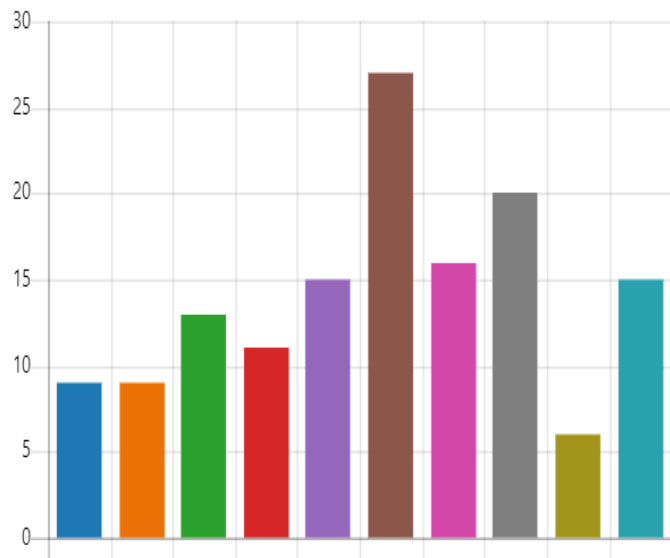

Questions

Responses **144**

1. Please tick what activities you have taken part in that were posted on Teams or Unifrog.
