

Physical Education: GCSE

AQA 3 lessons per week.

This course provides students with an opportunity to study both the practical and theoretical aspects of Physical Education. Theoretical topics will help students to develop a well-rounded skill set and prepare them for progression to further studies. Students will be able to develop an understanding of effective and safe physical performance. They will be able to appreciate the necessity for sound understanding of the principles and practices that underpin improved performance as well as better health and well being.
