Dear Parents and Carers

Re: Important Dates for the Upcoming Term

As we embark on another exciting academic journey, we want to bring to your attention some important dates and schedule changes that will affect our school community in the coming weeks.

Monday, 2nd October - Early Closure:

On this day, the school will close at 12:20pm. This early closure is necessary to prepare for the statutory Prospective Year 7 Open Evening. This event is crucial for students who are applying for admission to Year 7 in 2024. We encourage all eligible families to attend and discover what our school has to offer. Please note that Year 13 BTEC students must attend lessons as usual on this date. Year 13 students who have exams must attend these as per their exam timetable.

Tuesday, 3rd October - Late Start:

Following the Prospective Year 7 Open Evening, students will start school at the later time of 11:00am. This adjustment allows students and staff the necessary time to recuperate after the evening's activities. Please note that Year 13 students who have exams on this date must attend these as per their exam timetable.

Wednesday, 11th October - School Closure:

On this day, the school will be closed to students. This closure is essential to enable our dedicated staff to attend statutory training. We believe that investing in our teachers' professional development enhances the quality of education we provide to your children.

Friday, 24th November - School Closure:

Please be aware that the school will be closed to students on this day. We appreciate your understanding regarding this closure.

These dates and schedule changes are designed to ensure the smooth operation of our school and to provide valuable opportunities for both students and staff. We kindly ask for your cooperation and understanding during these times. If you have any questions or require further information about any of these dates, please do not hesitate to contact our school office.

Yours faithfully
