Act justly, love tenderly, walk humbly with your God

1 July 2021

Dear Parents and Carers

## **RE: World Class Schools Quality Mark**

It is with both pride and pleasure that I write to inform you that St. Anne's Catholic High School for Girls has been awarded the prestigious World Class Schools Quality Mark (WCSQM).

*The World Class Schools Quality Mark is the new standard in education for schools that have gone beyond the limits of the national inspection framework. (World Class Schools)*

St. Anne's is the first school in the London Borough of Enfield to have gained this highly respected and sought after quality mark.

We have been awarded this as an acknowledgement that our students are excellent learners, show exceptional leadership skills, outperform others, are committed to achieve, are active participants in our school community and aim to be the best in their field, in terms of higher education and employment.

We, as a school community, would like to give particular thanks to Mariam, Varsha, Demiana, Jasmeen, Ramiya, Jaci and Natalie.

These students worked with determination and professionalism over the past eighteen months. They were a pleasure to work with. Their work and the work of our whole learning family has meant we secured WCSQM.
